Task Statement:
Accident/Incident Reporting**

Task No.: 08-02

Date initially presented to the RSAC: September 10, 2008

Purpose:

To review comments on FRA's Notice of Proposed Rulemaking (NPRM) regarding revision of 49 CFR Part 225 and the FRA Guide for Preparing Accident/Incident Reports and make recommendations for the content of the final rule.

Description:

- This task assumes receipt of substantial comments to the NPRM with respect to which FRA seeks advice.
- It is not intended that parties bring new issues (not responsive to the NPRM) into this process, since they may be considered outside the scope of the notice.

Issues requiring specific report:

As presented in the public comments, other than editorial matters.

Source: Federal Railroad Administration

Refer to/establish following working group: Accident/Incident Reporting Working Group

Target Dates:

- FRA will initially review and summarize the comments within 45 days of the close of the comment period and determine whether to request the convening of the working group.
- If the working group is convened, recommendations are requested within 90 days of formation.
